

PILGRIM POINT CAMP: A PLACE OF WELCOME

“Birds in the sky sing their song to you, Trees in the field, lift their arms to you, I want to sing, I want to lift my arms to you....” (from the song, I Want to Praise You Lord by Sam O. Scott and Randy Thomas)

What a wonderful welcome awaits you at Pilgrim Point Camp, your summer camp on Lake Ida in Alexandria. God’s creation and God’s people are calling you to renew your spirit, to renew your faith, to renew your calling, and to renew your life!!

In the words of just a few of our guests:

“From the day I arrived at camp, everybody I met was nice to me. They genuinely cared for me, and I, in turn, cared for them.” Daniel

“What I like about camp is the people are very big believers in us. They have faith in us!” Ashley“

“What I love about the camp is the point. It’s gotta be the best place here. The Birds go by, eagles fly over and you can hear the loons 24/7!!

“From the first moment, I sensed I was on Holy ground. I was no longer a prisoner of society and all of its demands, but free as the birds that soared overhead.” Marisa

And one volunteer, who was dealing with some serious health issues, was asked why she scheduled her treatments so she could still come and work at camp said, “Because camp is LIFE GIVING!!”

Your contributions to Our Church’s Wider Mission helps support this special place where God’s people come to accept, and to offer each other, God’s extravagant and healing welcome.

It’s who we are.

It’s OUR ministry.
